**RULES & REGULATIONS for ALL TRACK EVENTS at:  
Eagle Inn - Eagle and Swampers - Eagle & Charlotte**

22. No special or reinforced bumpers, no trailer hitches.
23. All doors must be welded or chained with 3/8" or larger chain. All hoods, trunks, tailgates must be chained or wired, not welded, for access to possible fire. All trunk lids must have 12" inspection hole. Radiator reinforcement not to exceed frame rails.
24. There must be a 24 inch opening cut in hood above carburetor or center of hood.
25. MANDATORY - Drivers door must be reinforced but not to exceed 8 inches front or back and must be securely fastened. Safety netting (no larger than 2 inch openings) must engulf and be securely fastened inside driver's door window. Safety netting must be able to cut the material with a knife for safety. \*\* - Able to purchase netting at Johson's Speed 517-321-6460. No cutting drivers door.
26. Must have added support in the center of the windshield from the roof to the firewall, safety netting on front window and a MOUNTED, WORKING FIRE EXTINGUISHER IN THE CAR FOR YOUR SAFETY. (MANDATORY)
27. Cutting fenders, bumpers and grills is permissible; radiator must stay in position or be removed.
28. Battery may be moved, but must be securely fastened to the car and be covered by shield if in driver's compartment. Only one battery allowed.
29. All chrome stripping must be removed from the outside of the vehicle.
30. No spring jacks or blocked shocks. Car must have free suspension.
31. No double or liquid filled tires allowed, tires must not exceed stock size or 6 ply and no more than a C-load rating. No studs or screws in rims to hold tires. No solid tire, no dual sidewall.
32. Vehicles must have brakes before beginning of heat.
33. No deliberate head-on collisions, hitting a driver's door, or unnecessary roughness.
34. Don't leave your car during a heat unless you are told to do so, or until the last car has been given the checker flag.
35. Cars may be decorated in good taste, but both front doors and number board on roof should be painted WHITE and left clean of numbers.
36. MANDATORY - must have sheet metal installed on top of car to place number.
37. Numbers will be painted on both sides of cars and number board on roof as cars enter.
38. All drivers must attend the driver's meeting.
39. Learn these flags:  
 \*\*RED & ORANGE-STOP  
 \*\*BLACK-DISQUALIFIED  
 \*\*CHECKER-WIN  
 \*\*GREEN-GO  
 \*\*WHITE – 1 LAP TO GO
40. We reserve the right to disqualify any driver at any time.
41. All cars are to be removed from EAGLE PARK after the event. Pit closes one hour after race is complete. All cars left on the premises will be removed by Eagle Park.
42. Mandatory padding inside driver's door, carpeting acceptable.
43. Each participant/driver may only enter one car per Demo-Scramble.
44. No adding counter weights inside or outside of car.
45. Must have full length clothing which consists of pants and long sleeve shirt. Fire suit recommended.
47. No all-wheel drive vehicles allowed.
47. MANDATORY - All drivers are advised to install a driver side roll cage or center mounted reinforcement bolted or welded to the roof and to floor with a minimum of 6 inch steel plate top and bottom to protect in case of roll over.
48. Neck brace suggested but not mandatory.
50. Rules subject to change without notice according to Eagle Fair Board, Demo-Scramble Committee.

DRIVE SAFE & HAVE FUN!
